Stainless steel with black glass
Island Hood 90 cm

Features:
- Device type: T-Shape island hood
- Colour of the fireplace: stainless steel
- Type: Wall
- Approval certificates: CE
- Length of connecting cable (only for recirculation mode): 150 cm
- Niche dimensions (mm): -
- Height of the fireplace (mm): 540+470
- Height of the unit without chimney (mm): 60
- Net weight (kg): -
- Control: Touch control with slider
- Control of power levels: 3+int
- Max. Fan power - exhaust air operation (m³/h): 580
- Blower output in intensive stage recirculation mode: -
- Max. Fan power in recirculation mode (m³/h): -
- Fan power intensive stage exhaust air (m³/h): 700
- Fan power intensive stage exhaust air (m³/h): 700
- Diameter of exhaust port (mm): 150
- Odour filter: Optional
- Type of air ducting: downwards
- Delay Shut off modes: yes
- Required accessories: Yes
- Type of lamps: LED
- Total lamp wattage (W): 4x2W
- Filter change reminder: yes
- Power / Consumption:
  - Voltage: 220 - 240 V
  - Total connected load: 278 W
  - Energy efficiency class: A+*
  - Average energy consumption: 46 kWh / year*
  - Fan efficiency class: A*
  - Lighting efficiency class: A*
  - Grease filter efficiency class: B*
  - Noise min. / max. (normal operation): 66 / 69 dB*
  - Fan power max. normal stage / intensive stage with exhaust air operation max. 580 m³ / h / 700 m³ / h with circulating air operation max. 450 m³ / h / intensive 590 m³ / h
- * According to EU regulation no. 65/2014 / fan capacity according to EN 61591

Equipment / Comfort
- Stainless steel and black glass screen
- For wall mounting above hob/plates
- Smart slider
- Touch control
- Optional exhaust air or recirculation operation
- A starter set is required for recirculation operation
- Electronic control
- Fan power 4-stage (2 power stages + 1 intensive stage) adjustable via Smart Slider with LED display
- Intensive stages with automatic reset
- Powerful and quiet blower
- Stepped exhaust air operation with 4 × 2 W LED lamps
- Ambient temperature 299 Lux
- Colour temperature 4,000 K
- Metal grease filter, dishwasher safe
- Incl. exhaust air shaft

Accessories:
- Stainless steel with black glass
